

Typical Scheme And Wiring Ideas For Multistoried Building Automatic Fire Detection And Alarm System With Public Address System

Legend	Description
	Multisensor
	Speaker with Beacon
	Public Address speaker
	Manual Call Point
	Control module
	Monitor module
	Isolator

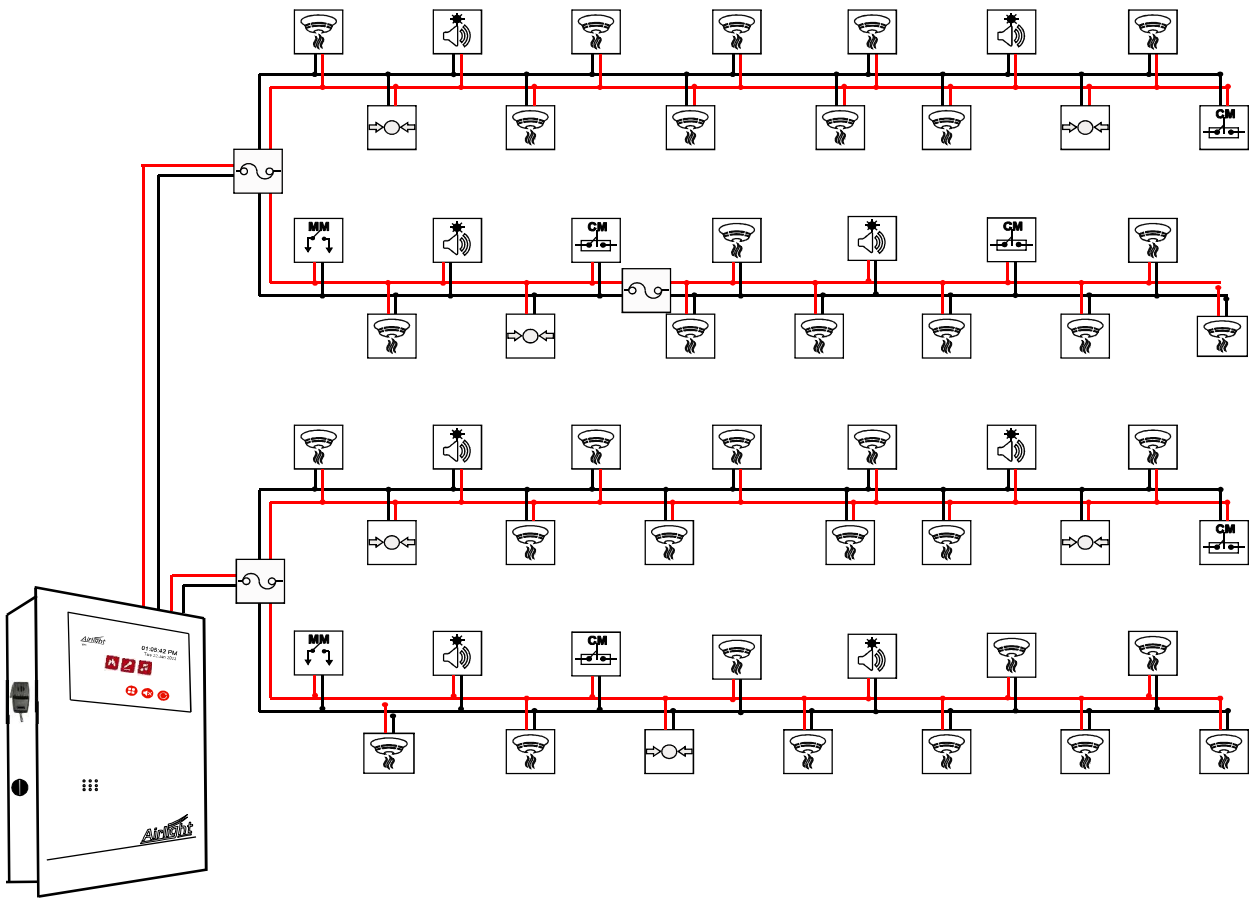

Legend	Description
	Multisensor
	Speaker with Beacon
	Public Address speaker
	Manual Call Point
	Control module
	Monitor module
	Isolator

Typical Scheme And Wiring Ideas For Automatic Fire Detection And Alarm System With Public Address System

Wiring Idea-1

Airlight

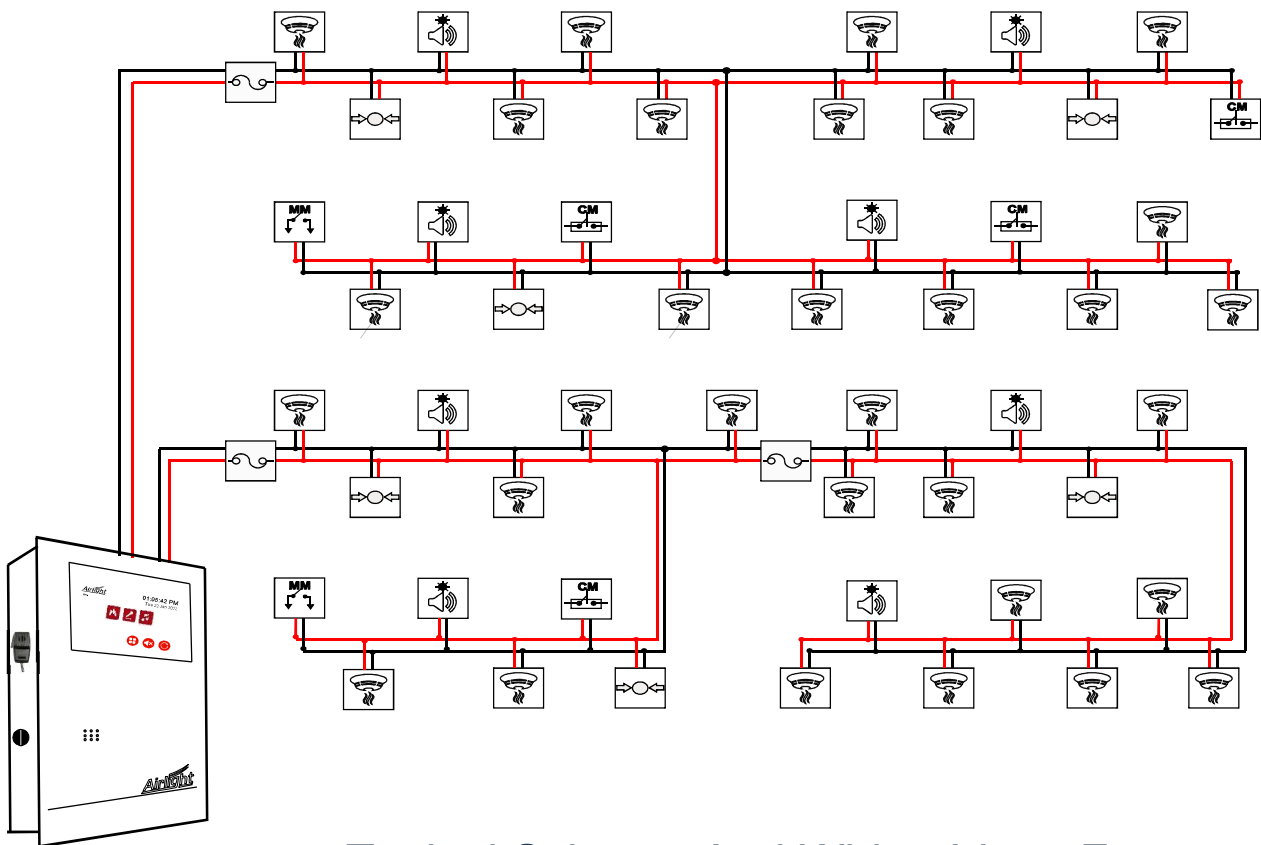

Legend	Description
	Multisensor
	Speaker with Beacon
	Public Address speaker
	Manual Call Point
	Control module
	Monitor module
	Isolator

Typical Scheme And Wiring Ideas For Automatic Fire Detection And Alarm System With Public Address System

Wiring Idea-2

Typical Scheme And Wiring Ideas For Automatic Fire Detection And Alarm System With Public Address System
Wiring Idea-3

Legend	Description
	Multisensor
	Speaker with Beacon
	Public Address speaker
	Manual Call Point
	Control module
	Monitor module
	Isolator
